\_\_\_\_\_

The Sale shall be of \$\_\_\_\_\_ Deposit\$\_\_\_\_\_ Amount due\$\_\_\_\_\_ at pick up. (PLEASE BRING CASH)

1) Always feed a quality food, when switching foods go slow 1/8 of new to portion of food feeding now for one week then a 1/4 for a week 1/2 next week then 3/4 for week you can completely switch. 26% protein 16% fat. Keep the puppy on puppy food until you veterinarian says to switch.

2). Exercise don't over do it but they are a working dog and do need to be exercised. Watch jumping in and out of vehicle, climbing stairs, or running in soft sand.

3). Keep all shots up to date always check with your Licensed veterinarian within 72 hours of receipt of puppy. If Veterinarian determines the puppy to be ill or for any reason this is unacceptable.

Buyer must return said puppy for full refund.

No other expense will be paid up to the price of the puppy. A verified letter from your veterinarian is required stating the exact diagnosis with report to back it up. The breeder has the right to request that a veterinarian of their choose will examine the puppy to verify the diagnosis.

I will ask for a check for A K C reg your puppy

Food Type: diamond chicken and rice

Shot Date: \_\_\_\_\_ Worming \_\_\_\_\_

The Buyer has done his or her home work before buying Bernese Mountain dog puppy on all health issues associated with this breed.

The buyer understands that in large breed dogs they grow at different stages that is why we don't OFA hips and elbows until 18 to 24 month of age.

The buyer understands that due to variations in genetics each puppies may vary in weight and size. The buyer understands that Ken Cynthia McLeod is selling this puppy as a pet/companion animal only we do not sell puppies as show animals or breeding prospects.

The buyer is to notify seller of any health issues. Ask any questions they may have.

The buyer understands that due to various reasons not under their control they are to return the puppy to Ken Cynthia McLeod
